

## PARTNERSHIP SPOTLIGHT

# Brophy College Preparatory

Phoenix, Arizona

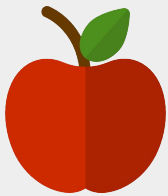

Brophy College Preparatory is a highly-rated Catholic, Jesuit high school for boys with an all-male enrollment of approximately 1,400 students in grades 6-12.

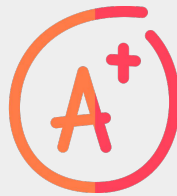

Since 2016, The Graide Network has been supporting English and Social Studies courses with the overarching goal of building college-ready writers and critical thinkers. Graide Network usage is thoughtfully mapped out by each department to ensure maximum impact.

Brophy teachers value The Graide Network for the chance to give their students objective feedback and a second set of eyes on their writing. They also leverage Graider support to provide more opportunities for drafting and revision so students have multiple chances to improve their work and their grades.

**11 teachers, 4 years** of partnership and counting
