## Instructions for Creating Courses Google Classroom

Log in to the Marco Learning app and complete the following steps:

1. Click the "My Courses" tab

2. Click "Create a New Course"

3. Click "Import from Google Classroom"

\*Note: The first time you import a course from Google Classroom, you may be prompted to accept privacy settings.

## 4. Click on the course you would like to import

Physics (Testing)	AP Language & Composition (2023-24 SY)	
Section: 2	Section: Period 1	
Number of students: 2	Number of students: 1	
	<b>T</b>	
	4	
	Physics (Testing) Section: 2 Number of students: 2	

5. The students in the class will automatically populate on the roster

\*Note: If needed, you can add additional students to the roster by increasing the "Number of students" and manually entering student names.

6. Click "Save Changes and Exit"
